

# If I Were a Boy

Beyoncé

♩ = 100

If I were a boy — I would turn off my phone —  
Tell eve-ry-one it's bro-ken, so they'd think that I was slee-ping at home \_  
I'd put my-self first And make the rules as I go  
'Cause I know that she'd be faith-ful, wait-ing for me to come home.  
If I were I boy I think I could un-der-stand \_  
How it feels to love a girl — I'd swear I'd be a bet-ter man \_  
I'd list-en to her 'Cause I know how it hurts — When you  
lose the one you want-ed 'Cause he's tak-en you for grant-ed And eve-ry-thing you had got des-troyed.  
But you're just a boy You don't un-der-stand  
How it feels to love a girl some-day You wish you were a bet-ter man  
You don't list-en to her You don't care how it hurts Un-til you  
lose the one you want-ed 'cause you've tak-en her for grant-ed — And  
eve-ry-thing you had got de-stroyed — But you're just a boy —
